2022 SINGLE WIRE SHIRAZ

SHIRAZ | EDEN VALLEY | SINGLE VINEYARD | HAND-PICKED | VEGAN FRIENDLY

Single Wire is special as it was the first Tin Shed wine made in 1998.

The Sanders family, Craneford, Eden Valley, Barossa. The Roesler Vineyard is nestled in the cool, high-rainfall subregion of Craneford, Eden Valley, part of Barossa's high country. Located on Basil Roeslers Road, the vineyard is among some of the region's most acclaimed sites. It produces fruit for iconic Barossa wines.

Shiraz vines planted in 1967 and 1978 provide the depth and character behind this Shiraz.

The wine opens with the aroma of Mum's Christmas cake, followed by orange peel, cocoa powder, dark red fruit, Eden Valley herbals, layers of dark spice, white pepper, and violets with seamlessly integrated French oak.

It is powerful yet elegant. On the palate are layers of clove, cinnamon, dark fruit cake, and berries, with perfectly balanced and grippy tannins. This wine is opulent, showing its unique influence and versatility.
